Hands-On-Exercise Description:

In WordPress course during this batch, we are embarking on the journey to create a fashion store through WordPress, catering to a diverse selection of men's and women's clothing. For this, we have already installed WordPress with the Astra theme in Hands-On-Exercise #1. This is the continuation of Hands-On-Exercise #1.

Problem statement:

According to the above Hands-On-Exercise description, for the next step, you are required to complete the following tasks:

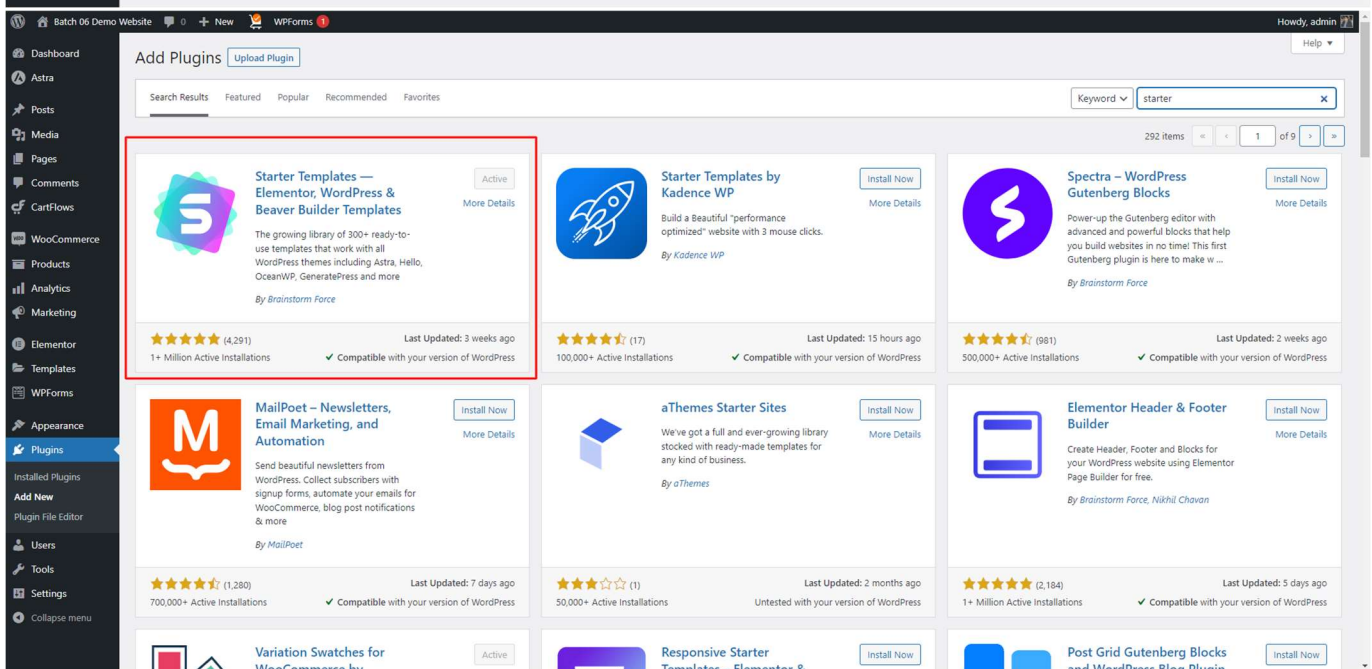

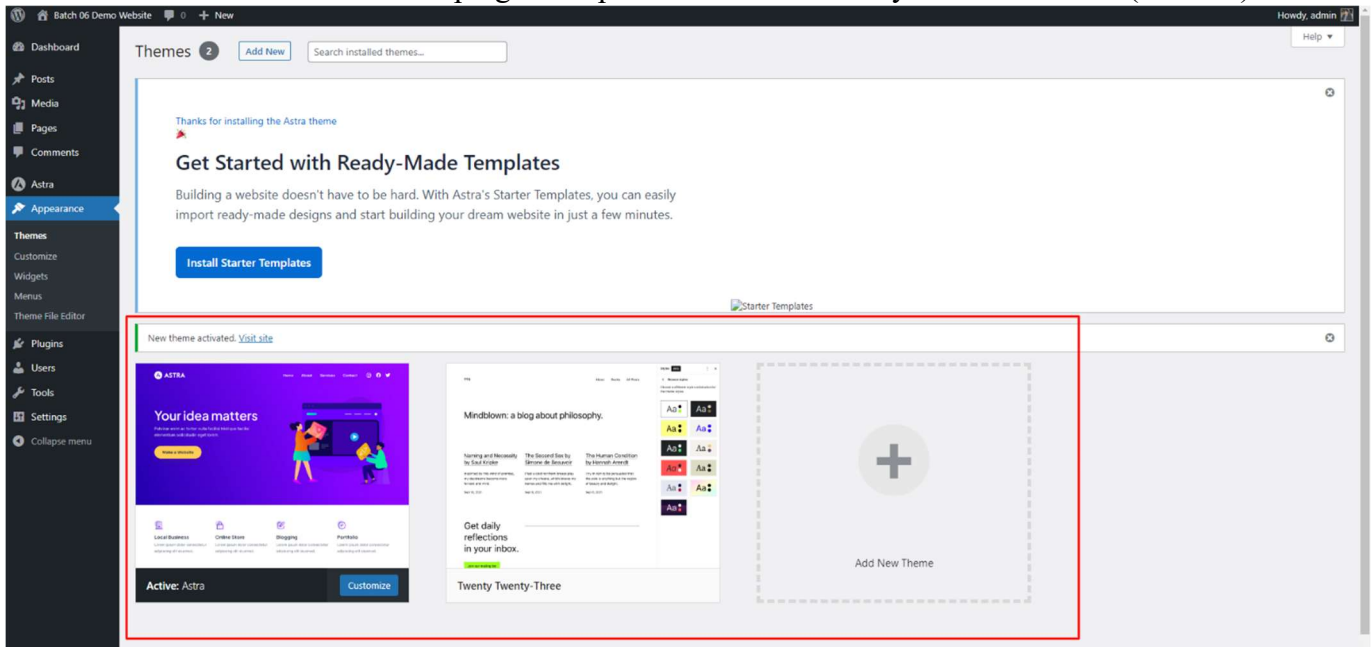

Tasks:

1. Install and setup WooCommerce plugin and provide screenshots in your solution file. (3 marks).

The screenshot displays the WordPress 'Add Plugins' interface. At the top, there's a search bar with 'woocommerce' entered. Below the search bar, a grid of plugin cards is shown. The first card, 'WooCommerce' by Automattic, is highlighted with a red circle around its 'Installed!' button. Other visible plugins include 'WooCommerce Stripe Payment Gateway', 'WooCommerce PayPal Payments', 'WooCommerce Advanced Free Shipping', 'PDF Invoices & Packing Slips for WooCommerce', and 'Customer Reviews for WooCommerce'. Each card shows the plugin's name, description, star rating, number of active installations, and a compatibility checkmark.

Plugin Name	Developer	Rating	Active Installations	Last Updated	Compatibility
WooCommerce	Automattic	★★★★★ (4,151)	5+ Million	1 week ago	Compatible
WooCommerce Stripe Payment Gateway	WooCommerce	★★★★☆ (150)	900,000+	7 days ago	Compatible
WooCommerce PayPal Payments	WooCommerce	★★★★☆ (343)	600,000+	4 weeks ago	Compatible
WooCommerce Advanced Free Shipping	Jeroen Sormani	★★★★★ (122)	50,000+	3 months ago	Compatible
PDF Invoices & Packing Slips for WooCommerce	WP Overnight	★★★★★ (1,624)	300,000+	4 days ago	Compatible
Customer Reviews for WooCommerce	CusRev	★★★★★ (1,305)	60,000+	1 week ago	Compatible

2. Install the Astra starter site plugin and provide screenshots in your solution file. (3 marks)

3. Using Astra starter sites, import a template of type fashion with demo content and provide screenshots in your solution file. (4 marks)

The image shows the Astra starter site selection interface. At the top, it asks "What type of website are you building?" with a search bar for "Search for Starter Templates". Below this are category filters: Business, Local Business, Personal Care, Professionals, Personal Sites, Community, E-Commerce, and Blog. There are also "All" and "Popular" buttons. A grid of starter site thumbnails is displayed. The third thumbnail from the left, titled "Raining Offers For Hot Summer!", is highlighted with a red border. Below the grid, there is a "Back" button and a "Get unlimited access to all Premium Starter Templates and more, at a single low cost!" button, along with a "Get Essential Bundle" button.

The selected template, "Brandstore", is shown in a preview. The left sidebar contains a "Logo" section with an "Upload File Here" button (Suggested Dimensions: 180x60 pixels), a "Don't have a logo? No problem! You can upload it later" button, a "Logo Width" slider set to 120, and a "Skip & Continue" button. The main preview area shows the "Brandstore" template with the "DNK" logo, navigation links (EVERYTHING, WOMEN, MEN, ACCESSORIES, ABOUT, CONTACT US), a shopping cart icon showing "\$0.00", and a user icon. The hero section features a woman's profile with the text "Raining Offers For Hot Summer!", "25% Off On All Products", and "Select area". Below this are "SHOP NOW" and "FIND MORE" buttons. The footer displays several "logolpsum" logos.
