Two years Deploma Certificate in Electrician
completed in 2003
- University of Malakand KPK, Pakistan
Master Degree in English Literature
Completed in 2021
- Nawab Computer College Lahore, Pakistan
Microsoft Office Three Months Certificate
Completed successfully

About Me

I am an accomplished electrical professional with a two-year electrical certificate from Mardan TVC and an impressive decade-long track record in the field. During my tenure with Dawood Electrical Supervisor Group, I specialized in high-quality industrial electrical wiring and residential bungalow lighting projects. My expertise lies in delivering safe and efficient electrical solutions, adhering to industry standards and regulations. I am dedicated to excellence in every project I undertake, with a commitment to quality workmanship and safety.

Professional Experience

Dawood Electrical Supervisor – Mardan, KPK, PK
2001- 2010

- Installed, repaired, and maintained electrical systems in residential, commercial, and industrial settings, adhering to national and local electrical codes.
- Conducted inspections and diagnosed electrical issues to develop effective repair or upgrade strategies.
- Collaborated with contractors, architects, and clients to plan and execute electrical projects within specified budgets and timelines.
- Performed routine maintenance on electrical equipment to ensure optimal performance and longevity.
- Troubleshoot and resolved electrical malfunctions, minimizing downtime and preventing safety hazards.
- Utilized a wide range of tools and equipment, including multimeters, conduit benders, and power drills, to complete electrical tasks.
- Ensured compliance with safety regulations and implemented best practices to minimize workplace accidents.
- Trained and mentored junior electricians, promoting skill development and safety awareness.

2012- 2015

working as a Private Electrical Wiring
