

Hands-on Exercise No. 2
DigiSkills 2.0 Batch-06
WordPress

Total Marks: 10

Due Date: 14/12/2023

Instructions:

Please read the following instructions carefully before submitting this Hands-on Exercise:

- Use MS Word to prepare exercise solution.
- You may consult tutorials and videos if the concept is not clear.
- Your submitted exercise will not be considered/counted if:
 - It is submitted after due date.
 - It is not in the required format (.doc or .docx)
 - It does not open, or file is corrupt.
 - It is copied (partial or full) from any source (websites, forums, students, YouTube etc.).
 - Screenshots must be clear and readable.
 - Don't forget to add screenshots where necessary.

Learning Outcome:

After completing this exercise, you will learn:

- How to install and configure plugins in WordPress.
- How to convert a WordPress website into a store with WooCommerce.
- How to import a template and demo content.

Hands-On-Exercise Description:

In WordPress course during this batch, we are embarking on the journey to create a fashion store through WordPress, catering to a diverse selection of men's and women's clothing. For this, we have already installed WordPress with the Astra theme in Hands-On-Exercise #1. This is the continuation of Hands-On-Exercise #1.

Problem statement:

According to the above Hands-On-Exercise description, for the next step, you are required to complete the following tasks:

Tasks:

1. Install and setup WooCommerce plugin and provide screenshots in your solution file. (3 marks).
2. Install the Astra starter site plugin and provide screenshots in your solution file. (3 marks)
3. Using Astra starter sites, import a template of type fashion with demo content and provide screenshots in your solution file. (4 marks)

Requirements:

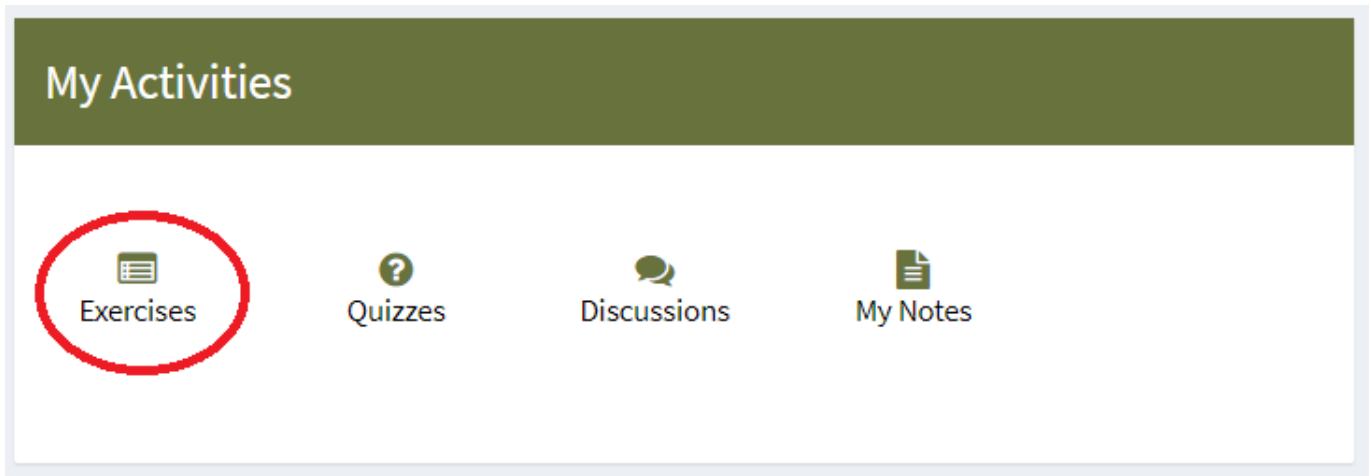

Screenshots of Task 1, 2 and 3.

BEST OF LUCK ☺

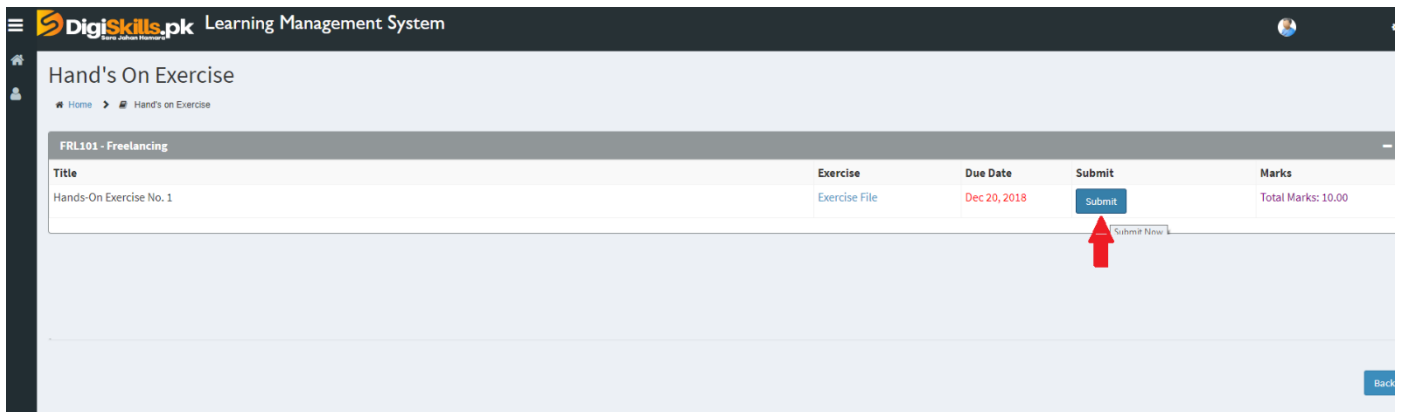

How to submit solution file on LMS?

Please perform the following steps for submitting your solution using LMS:

- 1) Login to the LMS
- 2) Click on the **Exercises** button within the **My Activities** section

- 3) Click on the submit button to upload your Solution.

- 4) Keep in mind to upload your Solution in .doc or .docx format
